

**Petition to Dr. Ákos Kriza  
Major of the Town of Miskolc,**

My name is Jason Crump, I am a 3 times world champion speedway rider. I am proud to say that beside my world championship trophies I could also ride in the team of the Speedway Miskolc which received the winning trophy of the European Clubs Championship Cup Final. As a sportman I had the possibility to visit Your town a few times and get to know Miskolc. I, personally, witnessed the speedway club and the fans' unconditional love and devotion to this sport. All my sympathy goes to these people in the effort in trying to maintain speedway in the town and I certainly hope that Miskolc will not disappear from the map of the speedway sport.

I am kindly asking You, the Mayor of Miskolc, to help preserve the traditional motorsport in Miskolc. Please support the activity of this community with every possible financial means you have for this sport as they for almost a decade have been representing Hungary and Miskolc all over the world from Australia to Poland with a fine reputation. I hope for your positive consideration in this matter concerning the future of the speedway in Miskolc.

I wish you all the best in your work.

Sincerely,
